

Samar Fawzy Gad Mohammed

PhD In Anatomy and Embryology

Address: Qalubia, Egypt **Email:** samar.gad@fmed.bu.edu.eg **Telephone:** +201067490565

Birthday: 01\04\1986 **Marital status:** Married **Nationality:** Egyptian **Religion:** Muslim

Medical Anatomy Lecturer | PhD with over 14 years of progressive experience in teaching Anatomy and Embryology across multidisciplinary faculties including Medicine, Dentistry, Physiotherapy, Nursing, and Forensics. Holds a PhD in Anatomy and Embryology, with a record in curriculum development, bilingual instruction, and academic quality assurance. Adept at integrating modern pedagogical tools, supervising research projects, and fostering interdisciplinary collaboration.

Education

- **PhD in Anatomy and Embryology**
Faculty of Medicine, Benha University, Egypt (September 2017 – June 2020)
- **M.Sc in Anatomy and Embryology**
Faculty of Medicine, Benha University, Egypt (September 2013 – June 2015)
- **M.B.B.Ch (Bachelor Degree in Medicine and Surgery)**
Faculty of Medicine, Benha University, Egypt (September 2001 – December 2008)
Grade: Excellent with Honors

Professional Experiences

Lecturer | Benha National University at “Faculty of Medicine, Faculty of Physiotherapy and Faculty of Dentistry”, Qalyubia, Egypt (September 2023 – Present)

- Developed and delivered structured academic content including lectures, tutorials, and practical sessions aligned with institutional learning outcomes.
- Monitored student engagement and performance, offering constructive feedback.
- Delivered undergraduate courses in Human Anatomy, Basic Orientation, and Radiological Anatomy.
- Participating in academic committees and contributing to curriculum enhancement.
- Collaborating with faculty members to promote interdisciplinary learning and research.
- Supervised and prepared dissected human body regions and anatomical specimens for sessions.

Lecturer | Benha University at “Faculty of science, Biological and Chemical Sciences in Forensics Program”, Qalyubia, Egypt (September 2024 – June 2025)

- Supporting students’ academic and professional development through guidance and feedback.
- Preparing and delivering lectures, seminars, and practical sessions in medical, physiotherapy.
- Translated and localized course materials to support bilingual learners and ensure accessibility across diverse student populations.
- Engaging in continuous professional development and academic research relevant to the medical field.
- Designed and presented engaging PowerPoint materials to simplify complex theoretical.
- Guided students in writing analytical reports on anatomical structures and interpreting radiographic.

Lecturer | Benha University at “Faculty of medicine, Faculty of Physiotherapy and Faculty of Nursing”, Qalyubia, Egypt (September 2020 – June 2023)

- Supervising student research projects, case studies, and clinical training modules.
- Assessing student performance through exams, presentations, and clinical evaluations.
- Providing academic guidance and career support to undergraduate students.
- Promoting evidence-based learning and interdisciplinary collaboration among faculties.
- Managed course website and digital platforms, ensuring timely updates of resources and assignments.
- Prepared and organized CNS box slides and museum specimens for educational display.

Assistant Lecturer | Benha University at “Faculty of medicine” Qalyubia, Egypt (September 2015 – June 2020)

- Designing and delivering lectures, tutorials, and practical sessions tailored to each faculty’s curriculum.
- Engaging in continuous professional development and contributing to institutional research.
- Participating in academic committees and contributing to curriculum review and enhancement.
- Provided academic support and mentorship to students through scheduled consultations.
- Coordinated with administrative staff to ensure smooth execution of academic schedules.
- Ensured alignment of course content with academic standards and enhanced student engagement.

Teaching Assistant | Benha University at “Faculty of medicine” Qalyubia, Egypt (September 2011 – June 2015)

- Supervised student activities during clinical rounds and practical training.
- Created assessment tools such as quizzes, case studies, and written exams.
- Provided one-on-one academic guidance and mentoring to students.
- Participated in curriculum development and exam preparation committees.
- Contributed to departmental research projects and academic publications.

Civilian pediatrician | Kobri El Qobba Military Hospital at (Cairo, Egypt) (January 2009 – December 2010)

- Conducted clinical assessments, diagnoses, and treatment plans for pediatric patients.
- Managed acute and chronic conditions across various pediatric age groups.
- Monitored patient progress and adjusted treatment plans accordingly.
- Educated parents and caregivers on preventive care, nutrition, and developmental milestones.
- Maintained detailed medical records in compliance with hospital standards.
- Collaborated with faculty members to align course objectives with departmental standards.

University Service & Institutional Engagement

Deputy Director of Crises and Disasters Unit

Benha University | Institutional Contribution 2022 – Present

- Assisted in drafting emergency response plans and coordinating simulation exercises.
- Contributed to university-wide risk management and crisis communication efforts.

Program Rapporteur – Anatomy 600 (Master’s) & Anatomy 700 (M.D.)

Faculty of Medicine, Benha University | Academic Service | 2020 – Present

- Documented academic proceedings, curriculum updates, and assessment frameworks.
- Ensured alignment with postgraduate program standards and reporting protocols.

Quality Coordinator – Faculty Development & Quality Assurance Project

Benha University | 2019 – Present

- Supported the implementation of faculty development strategies and internal quality audits.
- Participated in planning sessions and contributed to continuous improvement initiatives.

Awards

Academic Accreditation Renewal Award – Faculty of Medicine, Benha University | 2023

- Honored for active contribution to the renewal of academic accreditation processes.
- Participated in documentation, quality assurance reviews, and institutional readiness activities aligned with national standards.

Professional Development Courses

- Laboratory Safety – 2018
- Time and Meetings Management – 2018
- Self-Evaluation and External Review – 2018
- Website Management – 2018
- Strategic Planning – 2018
- Effective Presentation – 2014
- Marketing Scientific Research – 2014
- Basics of Scientific Research – 2013

Attended Training Workshops

- Strategic Planning for Colleges and Institutes of Higher Education
- Research Ethics in Academic and Scientific Contexts
- E-Learning Tools and Digital Instructional Design
- Modern Approaches in Teaching and Learning
- Course Specification and Instructional Units Development
- Student Assessment & Examination Systems
- Academic Website Management and Content Structuring
- Teacher Preparation and Pedagogical Skills Enhancement

Skills

Interpersonal Skills

Strong communication & presentation abilities	Analytical thinking & problem-solving
Adaptability in diverse academic environments	Empathy & student-centered mentoring
Attention to detail & organizational skills	Time management & multitasking
Commitment to continuous learning	Leadership & team coordination

Technical Skills

University-level teaching & curriculum design	Academic research & student supervision
Quality assurance & accreditation support	Digital learning tools & e-learning platforms
Strategic planning & crisis management	Anatomical specimen preparation
Radiological interpretation	Interdisciplinary collaboration

Computer Skills

Microsoft Office (Word, Excel, PowerPoint)	E-learning platforms (Zoom, Google Classroom)
PDF editing and document formatting	Basic SPSS and data analysis
Online assessments and content management	Medical Data Analysis

Languages

- Arabic (Native)
- English (Very Good – B2)
- French (Beginner – A2)
