

C. V.

Name:	Amr Ahmed Hassan
Nationality:	Egyptian
Religion:	Moslem
Date of Birth:	11/12/1953
School of Graduation:	St. George School, Heliopolis
Marital Status:	Married – 2 children
Wife Position:	Office Manager, German Agency for Technical Cooperation (GTZ) – Cairo
Address:	9, Dr. Mohamed Zaki Monir Street, Nasr City, Cairo, Egypt
Telephone Number:	002-02 -2741801
Mobile Number:	002-010-5236210

Qualifications:

- **Ph.D**, Biochemistry Department, Faculty of Medicine, Benha/ Zagazig University, 1985
- **M.Sc**, Biochemistry Department, Faculty of Medicine, Zagazig University, 1982
- **B.Sc**, Biochemistry Department, Faculty of Science, Ain Shams University, 1977
- Head of Biochemistry Department, Faculty of Medicine, Benha, Zagazig University, including a large number of scientific equipments such as: **Immuno florecence, Spectrophotometers, Electrophoresis, Flame photometer, Radio Immuno assay, ELISA, cooling Centrifuges and different types of chromatography.**

- Owner and Director of a private Biochemistry Laboratory since 1989 until now. The laboratory holds a number of recent scientific equipment including: Spectrophometers, ELISA, Abbot, Electrophoresis and flame photometer.

Career Progression:

- **1994 – Present:**
 - a) Professor in Biochemistry Department, Faculty of Medicine / Benha, Zagazig University from 3/11/1994.
The job involves teaching Biochemistry courses to both undergraduate and postgraduate students. Also supervision of several MSC and PhD thesis in the Biochemistry branch as well as other medical branches. In addition to teaching of the students of the Faculty of Nursing (Benha). Also involved in other research projects dealing with “Snake Venoms” in Ain Shams Faculty of Medicine Department of Biochemistry.
 - b) Head of Biochemistry laboratory in the Department dealing with in and out patients laboratory investigations and biochemical analysis.
- **1992 – 1994:**
Professor in Biochemistry Department, Faculty of Medicine / Addis Ababa, Ethiopia, from 1992 - 1994
 - a) As a visiting Professor of Biochemistry to both Gondar School of Medical Sciences (as head of the Biochemistry Department) and the Biochemistry Department, Faculty of Medicine, Addis Ababa University in Ethiopia, seconded by the Ministry of Foreign Affairs of Egypt under the technical agreement with the Ethiopian Government, to teach undergraduate and postgraduate students.
 - b) As a main supervisor of the project titled “Purification and characterization of Phospholipase A2 Enzyme from some Snake Venoms”, between both Biochemistry Department, Faculty o Medicine, Addis Ababa and the Biochemistry Department, Faculty of Science, Zagazig University.
- **1989 – 1994:**
 - a) Assistant Professor in Biochemistry Department, Faculty of Medicine / Benha, Zagazig University from 20/12/1989.
 - b) Head of the Biochemistry lab in the department dealing with in and out patients laboratory investigations and analysis.
- **1985 – 1989:**
Lecturer in Biochemistry Department, Faculty of Medicine, Benha, Zagazig University from 18/12/1985.

- **1982 – 1985:**
Assistant Lecturer in Biochemistry Department, Faculty of Medicine, Zagazig University from 30/12/1982.
Involved in the project of **Natural Toxins Snake Venom** in the Biochemistry Department. Faculty of Medicine, Ain Shams University, as a researcher in the field under the supervision of the principle investigator Professor Dr. Farid El-Asmar, Professor of Biochemistry.
- **1979 – 1982:**
Demonstrator in Biochemistry Department, Faculty of Medicine, Zagazig, University from 14/03/1979.
Involved in the project sponsored by the **National Institute of Health (NIH)**, dealing with Snake Venoms and its uses in medical health under the supervision of the principal investigator Professor Dr. Ahmed Hassan Mohamed, Professor of Physiology, Faculty of Medicine, Ain Shams University.
- **1977 – 1979:**
Demonstrator in Chemistry Department, Faculty of Science, Zagazig, University from 18/12/1977.
Teaching of practical chemistry courses of under graduate students for some faculties including Science, Medicine, Pharmacy and Veterinary.
