

Curriculum Vitae

Personal data

Name: MOHAMED ABDELWAHAB SAYEDAHMED MOHAMED ABDELWAHAB ALASSAL.

Date of birth: 1/ 12/ 1971.

Address: 1- EGYPT -Benha -24 Alaathar street- Kaliopia.

2- Benha, Faculty of medicine, cardiothoracic surgery department.

Telephone: +966 543178563 , +201016694694

E-mail address: 1- aassal71@gmail.com

2- dmohamedabdelwahab@gmail.com

3- Mohamed.assal@fmed.bu.edu.eg

Nationality: Egyptian.

Gender: Male.

Marital State: Married.

Title And Current Position:

MB. BCh, MSc, MD, **Professor of Cardiothoracic surgery, Benha University, Faculty of Medicine, Egypt.

****Consultant of** Cardiothoracic Surgery in Benha University Hospitals.

** **Consultant and head of department of** Cardiac Surgery, Prince Abdullah bin Abdulaziz bin Musaed Cardiac Center (**PAACC**), Saudi Arabia.

Qualifications:

- ***** MD degree in Cardiothoracic Surgery:** Faculty of Medicine, **Ain Shams** University (**April-2007**).

It consists of:-

- 1) Thesis in Cardiac Surgery titled: (Closure Of Hypertensive VSD after Pulmonary Artery Banding in Developing Countries).
- 2) Clinical studies in adult and pediatric cardiac surgery and thoracic surgery for 7 years (from 2001 to 2007).

***** SCFHS Saudi** commission for health specialty certificate (**i.d. number: 10RM0316004**) as Consultant Cardiothoracic Surgeon.

- ***** MB.Bch.** Faculty of **Medicine, Benha University** (December 1995).
- *****Master degree in General Surgery:** Faculty of Medicine, **Benha University** (June 2000).

It consists of:-

- 1) Basic part (one year) post graduate theoretic studies in anatomy, physiology, biochemistry, histology, pharmacology and pathology sciences.
- 2) Clinical studies (three years) in general and cardiothoracic surgery.
- 3) Thesis in Thoracic surgery titled (Esophageal Strictures Management).

Background:

Hospital,	Position	From	To
<i>Prince Abdullah bin Abdulaziz bin Musaed Cardiac Center (PAAMCC), Arar, Saudi Arabia</i>	Consultant Cardiac Surgery (permanent position)	August 2015	Till now

<i>Saudi Arabia(SA), KFMC, King Salman Heart Center (KSHC)</i>	Consultant Associate	Feb-2008	J u l y 2015
<i>Faculty of Medicine, Benha University cardiothoracic surgery department</i>	Professor of Cardiothoracic surgery	7-12-2018	Till now
<i>Faculty of Medicine, Benha University cardiothoracic surgery department</i>	Assistant Professor Of Cardiothoracic surgery	Jan.2014	7-12- 2018
<i>Benha University Hospitals ,Egypt</i>	Consultant Cardiothoracic Surgery	2007	Till now
<i>Faculty of Medicine, Benha University cardiothoracic surgery department</i>	Lecturer	-2007	January 2014
<i>Abo-Elreesh Altalabah specialized pediatric cardiac surgery hospital, Cairo, Egypt</i> (more than 2000 open heart surgeries/year).	specialist (part time)	-2001	-2007
Nasser institute for medicine and research	Cardiothoracic surgery specialist	January 2006	July 2008
<i>Faculty of Medicine, Benha University cardiothoracic surgery department, Egypt.</i>	Assistant Lecturer (full time)	-2002	2007
National Heart Institute (NHI) ,Cairo ,Egypt (About 4000 open heart surgeries/year)	Cardiac surgery trainee	1998	2000

Faculty of Medicine, Benha University, cardiothoracic department: first 6 months in the ICU, next 6 months in the trauma and thoracic department, next 10 months in adult cardiac surgery, and last 10 months in pediatric cardiac surgery department) (substantive post)	Residency program	March-1997	-2000
Faculty of Medicine, Benha University: rotating between 7 departments (general surgery, internal medicine, pediatrics, obstetrics & gynecology, anesthesia, and Cardiothoracic Surgery)	House officer	March 1996	February 1997

Surgical Experience:

Surgeon in Charge in Adult and Pediatric cardiac surgery	Performing all surgical procedures in adult and most of pediatric cardiac surgeries e.g. CABG, mitral and aortic and tricuspid and pulmonary valve surgeries, Aortic Root surgeries...etc & most of pediatric cardiac surgeries (ASD, VSD closure, Fallot repair, PS repair, partial AVSD repair, pulmonary artery banding, MBT shunt, Glenn shunt, APVD repair, Repair of coarctation of aorta, PDA ligation,etc).
Surgeon in Charge in Mechanical Circulatory Support (MCS)	-Mastering all ECMO profile and types (Peripheral or central, VV or VA-ECMO). -LVAD implantation and F/U.
Management of patients pre and postoperatively and intensive care	Evaluation of patients preoperatively and mastering of all aspects of cardiothoracic ICU and follow up of patients in The ward with a Rota of clinic attendance.

Scientific and training programs attendance

- 1) Attendance and active participation in the **annual meetings** of Egyptian society of cardiothoracic surgery (from 1998 -2008).
- 2) Attended the **master classes** (every 6 months) in cardiothoracic surgery, Ain Shams University and Kasr El-Aini University hospitals (January 2004 till April 2007) arranged by **ESCTS**.
- 3) Attended all Saudi heart association annual conferences (**SHA**) as a Speaker from 2008 till now.
- 4) Attended **Synthes Regional Symposium workshop** (new modality in sternal and chest wall reconstruction) in Dubai April 2012.
- 5) Attended **EACTS26**, Barcelona, Spain-2012, **post graduate courses and techno college courses**.
- 6) Attended **EACTS27**, Vienna, Austria-2013, **post graduate courses and techno college courses**.
- 7) Completed course of Clinical Teaching Program from King Saud bin **Abdulaziz University for Health Sciences** developed by **Stanford** faculty development center for medical teachers.
- 8) Valid and approved from American heart association (**AHA**): **BLS** certificate (Basic life support), **PALS** (Pediatric advanced life support) and **ACLS** (Advanced cardiac life support).
- 9) Participant and trainee in **LVAD** (left ventricular assist devices) training program in KFMC September 2014.
- 10) Shared in mechanical circulatory support MCS, ECMO training workshop in San Rafaello hospital, Milan, Italy, June 2017.
- 11) Shared in establishment of ECMO and TAVI service program in PAAMCC, Arar, KSA.
- 12) Shared in workshop of mechanical circulatory support MCS, Alhasa, Alhafouf, PSCCH&LA Pitie'-Paris, November 2018.
- 13) Shared in workshop of mechanical circulatory support MCS, SWAC2019, Cairo, Egypt, January 2019.

Experience in the field of audit :

- Presentation of cases in a monthly mortality and morbidity conferences with discussion of objectives and methods of improvement.
- Supervising and assisting in the field of audit with my SHO, registrars, senior registrars, consultants and other colleagues in the department to present our 4 monthly shift results in a tri-annual conference of our department to discuss the desired level of performance and actual standard present with a plan for improvement.

Teaching experience:

Teaching lectures for medical students in cardiothoracic department, Faculty of Medicine, Benha University and faculty of medicine, King Saud University, Riyadh.

- Teaching lectures for students of the second year in the high institute of nursing, Faculty of Medicine, Benha University.
- Teaching house officers rotating in our department during their internship year for the basics of ICU management and cardiothoracic surgery principles.
- Teaching of SHO and registrars in our department for the basic surgical skills in the operating room and supervision of their performance in the ICU.
- Teaching medical and non medical students communication skills in non-official authorities.

Scientific membership:

- 1) *Egyptian society of cardiothoracic surgery (ESCTS).*
- 2) *"Hearts of Egypt" society for assisting patients with congenital heart disease.*
- 3) *Saudi Heart Association membership (SHA).*
- 4) *Reviewer in "The Journal of Cardiovascular Surgery".*
- 5) *Reviewer in "Advanced Research Journal of Medical and Clinical Science (arjmcs)".*
- 6) *Reviewer in "Journal of Medical Case Reports (JMCR).*
- 7) *Editorial board member and reviewer in " SM Vascular Medicine (SMVM) journal.*

- 8) *Editorial board member and reviewer in AJTCVS (American journal of thoracic and cardiovascular surgery).*
- 9) *Speaker in SHA conferences (annual international conference) from 2009 till now.*

Some Publications, Academic activities and Awards:

Here some of my academic activities and publications that I shared with a team work of my colleagues:

1. *Submitted, presented and discussed an essay about "ESOPHAGEAL STRICTURES MANAGEMENT" for the partial fulfillment of the master degree in general surgery to the cardiothoracic department, Benha University, 2000.*
2. *Submitted, presented and discussed a thesis about "CLOSURE OF HYPERTENSIVE VSD AFTER PAB "for the partial fulfillment of the M.D. degree in cardiothoracic surgery, Ain Shams University, 2006.*
3. *Submitted research with title (CABG post PCI: is it higher risk?), accepted by Journal of SHA and presented in 21st conference (2009).*
4. *Presented in SHA21 conference (2009) (CEA with CABG: Is It Necessary for Asymptomatic Patients Going for CABG?).*
5. *Presented in SHA22 conference (2010) (combined CABG & valve surgery in elderly is it higher risk?).*
6. *Published a paper in HEART MIRROR JOURNAL with a title (Conservative Resection Of moderately dilated ascending aorta associated with rheumatic aortic valve disease; Short Term Result).Vol 4(2), 2010. ISSN 1687-6652.*
7. *Published research (Use of Central Line Catheter in Drainage of Hydrothorax with Pleurodesis), Benha Medical Jurnal, Egypt, 2010.*
8. *Submitted and presented research in Annual Research Symposium November 2010 in KFMC, KSA with title (One year clinical outcomes of patients undergoing multivessel PCI who are considered poor candidates for CABG, A single tertiary care center experience.).*
9. *Submitted and presented research in Annual Research Symposium November 2010 in KFMC ,KSA with title (Comparative study of patients undergoing high risk multivessel PCI who are considered poor surgical candidates vs. patients undergoing routine CABG, A single tertiary care center experience).*
10. *Published research with title (Old Age Doesn't Have an Adverse Effect on Survival in Patients Undergoing Combined CABG+Valve Surgery); Heart Mirror J 2011; 5(1): 278-282. Online ISSN 1687-5958.*
11. *Published in Journal of ESCTS, December-2012 (Predictive Value of Post-Operative Hyperglycemia On Outcome of CABG).*
12. *Published in Journal of ESCTS-2013, (CAROTID ARTERY DISEASE AND CABG, WHAT TO DO? TERTIRY CENTER EXPERIENCE).*

13. Published article in Journal of ESCTS-2013, (**HIGH PREOPERATIVE ISCHEMIA BIOMARKERS AS PREDICTIVE OF MORTALITY AFTER CABG SURGERY: TERTIARY CENTER EXPERIENCE**).

14. Published article in Journal of ESCTS-2013 (**EFFECT OF DIASTOLIC DYSFUNCTION IN SHORT TERM OUTCOME AFTER CABG**).

15. Published article in Journal of ESCTS 2013, (**SHOULD VACUUM ASSISTED CLOSURE THERAPY CHANGE OUR PRACTICE IN MANAGEMENT OF DEEP STERNAL WOUND INFECTION IN DIABETIC PATIENTS AFTER OPEN HEART SURGERY?**).

16. Published in Heart Mirror Journal of Cardiology 2013 Article with title :**TERMINAL HOT SHOT CARDIOPLEGIA BEFORE REMOVING CROSS CLAMP IMPROVES THE IMMEDIATE OUTCOME IN HIGH RISK PATIENTS UNDERGOING CABG: SINGLE CENTER EXPERIENCE**. Vol.7(1), 2013, ISSN 1687-6652.

17. Published article in Journal of ESCTS 2013 (**CARDIAC MYXOMA: 8 YEARS EXPERIENCE OF SURGICAL MANAGEMENT**).

18. Published article with title (**Role of Cytochrome P450-isoenzyme 1A1 in Susceptibility tobacco-related Lung Cancer**) in ANN, (Asian Annals of Cardiothoracic surgery) July-2013. DOI: 10.1177/0218492313492987 (PUBMED).

19. Published article in ANN, (Asian Annals of Cardiothoracic surgery) October -2013 (**Effect of Patient Prosthesis Mismatch in AVR on Regression of LV mass**). DOI: 10.1177/0218492313500499. (PUBMED).

20. Published article in ANN, (Asian Annals of Cardiothoracic surgery October -2013): (**USE OF BILATERAL MAMMERY FOR CABG in ACHONDROPLAST**). DOI: 10.1177/0218492313499765 (PUBMED).

21. Published article in Japanese Journal of Cardiology Cases(JJCC) : (**Successful percutaneous closure of post myocardial infarction left ventricular ruptured pseudoaneurysm after failed surgical repair**), doi.org/10.1016/j.jccase.2013.12.009. (PUBMED).

22. Published an article in AAN Asian Annals of Cardiothoracic and Vascular surgery (**Traumatic Intra-thoracic Tracheobronchial Injuries: a Study of 78 cases**) published online 17 January 2014, DOI: 10.1177/0218492313516777. (PUBMED).

23. Published paper in (International Journal of Clinical Medicine, 2014, 5, 197-205 .Published Online: March 2014: <http://dx.doi.org/10.4236/ijcm.2014.55033>. **Does Coronary Endarterectomy Increase Early Mortality and Morbidity Compared with Coronary Artery Bypass Surgery Alone: Single Centre Experience**.

24. Published in December 2014; in Heart Surgery Forum Journal (HSFJ) a project with title (**Predictive Factors of Supraventricular Arrhythmias after Noncardiac Thoracic Surgery: Multicenter Study**). Heart Surg Forum. 2014 Dec 1; 17(6):E308-12. doi: 10.1532/HSF98.2014412. (PUBMED).

25. Published in journal of clinical and experimental cardiology October 2015: (

Right Phrenic Nerve Palsy Post Coronary Artery Bypass Grafting (CABG) without Harvesting Right Internal Mammary Artery (RIMA): a Rare and Unexpected Complication), *J Clin Exp Cardiol* 6:406. doi:10.4172/2155-9880.1000406.

26. Published in journal of clinical and experimental cardiology October 2015 **Comparison of Clinical Outcomes among Patients Undergoing Coronary Artery Bypass Grafting (CABG) with or without Prior Percutaneous Coronary Intervention (PCI)**. *J Clin Exp Cardiol* 6:405. doi:10.4172/2155-9880.1000405.

27. Published in journal of clinical and experimental cardiology October 2015: **(Early Aortic Root and Left Main Coronary Artery Thrombosis after Left Ventricular Assist Device Implantation)**, *J Clin Exp Cardiol* 6:404. doi:10.4172/2155-9880.1000404.

28. published in Turkish journal of thoracic and cardiovascular surgery an article titled **(Resection of Giant Right Atrial Angiosarcoma Invading the Right Atrioventricular Groove)** in July 2016 (doi: 10.5606/tgkdc.dergisi.2016.13099 *Turk Gogus Kalp Dama* 2016;24(3):553-556).

29. Presented as (a speaker) in SHA25 (February/2014) international conference article **(role of preoperative inflammatory markers in prediction of AF post CABG surgery)**.

30. Published in journal of Saudi heart association (SHA) article **(infective endocarditis associated with splenic abscess: case series)**. Doi/10.1016/j.jsha.2015.02.001.

31. Published in journal of integrative cardiology an article with title **(rare unexpected anatomy of coronary artery: combination of 2 coronary anomalies)** in March 2016, *J Integr Cardiol*, 2016, doi: 10.15761/JIC.1000158.

32. Published in *Canadian Respiratory Journal (CRJ)* a project with title **(conservative surgical management of pulmonary hydatid cysts: analysis and outcome of 148 cases)**. (hindawi.com/journals/crj/aip/8473070)(PUBMED).

33. Published in *HLC heart lung circulation Journal (total correction of Fallout at Early age : study of 183 cases)*. *Heart Lung Circ.* 2017 Apr 27. pii: S1443-9506(17)30329-3. doi: 10.1016/j.hlc.2017.02.036. [Epub ahead of print] (PUBMED).

34. Published in *Journal of Clinical & Experimental Cardiology: Comparison of Clinical Outcomes among Patients Undergoing Coronary Artery Bypass Grafting (CABG) with or without Prior Percutaneous Coronary Intervention (PCI)*. *J Clin Exp Cardiol* 6:405. doi: 10.4172/2155-9880.1000405.

35. Published in journal of clinical and experimental Cardiology: **(Improvement after Surgical Closure of Secundum Atrial Septal Defects in Adults)**. *J Clin Exp Cardiol* 2017, 8. DOI: 10.4172/2155-9880.1000493.

Some Awards:

1. The prize of **Best Research** in annual research symposium November 2011 in KFMC, Saudi Arabia for a case report (**CABG IN ACHONDROPLASTIC DWARF**).
2. Award of **Best Dedicated and Committed physician** in King Fahad Medical City, Riyadh (JCI and research accredited hospital with more than 1500 beds capacity) for year 2012.
3. Award of **Best Dedicated and Committed physician in** King Fahad Medical City, Riyadh (JCI and research accredited hospital with more 1500 beds capacity) for year 2014.
4. Award of excellence of **international publications and citations** from Benha University, February 2018.
5. Award of excellence from northern zone health administration as **appreciation for organizing PAAMCC annual cardiac conference.**

Personal skills:

- 1) **Personal skills:** well known to work co-operatively with others, broad minded, non defensive, motivated, curious, and initiative, with a sense of humor. A well known leader in many instances especially (e.g. concerning emergencies and trauma and resuscitation teams).
- 2) **Language skills:** excellent command of English language. Arabic spoken with mother tongue.
- 3) **Teamwork skills:** working in company with my colleagues from

consultants or registrars, management of SHO and registrars and supervising their performance in OR and ICU and one of my duties to write legible notes (e.g. operative reports, death certificate, discharge summary).

4) *Computer Skills:*

Good dealer with computer passed training programs for (IT, Windows, Word, Excel and maintenance and power point).

Aims and career objectives:

- Aiming of increasing personal experience and improving performance in all aspects of cardiothoracic surgery with special interest in the field of adult and pediatric cardiac surgery and ventricular assisted devices.
- Aiming of obtaining more training in the field of research and teaching, hence increasing personal abilities to serve the community and alleviate the pain and suffer of many patients.
