-Assessment of serum electrolytes (sodium, potassium, and ionized calcium) during chronic obstructive pulmonary disease Exacerbation.

-Role of lactate dehydrogenase and other biomarkers in predicting prognosis of community-acquired pneumonia.

-Diagnostic role of interleukin -33 in the differentiation of pleural effusions especially tuberculous and malignant effusions

-Periodic limb movement index and severity of obstructive sleep apnea

-Hematological parameters as predictors of OSA severity

-Correlation of obstructive sleep apnea severity and lipid profile level.

-Comparative evaluation of chest ultrasonography and computed tomography as predictors of malignant pleural effusion Clinical skills.

-Evaluation of serum uric acid in COPD patients.

-Diaphragm ultrasound in patients with interstitial lung disease.

-Assessing the relation between vitamin D and Asthma severity.

-Correlation of HbA1c with COPD severity.

### **Clinical skills**

-Diagnosis and management of airway diseases including asthma, COPD, bronchiectasis, and bronchiolitis.

-Diagnosis and management of respiratory infections including pneumonia and tuberculosis.

-Diagnosis and management of interstitial lung diseases including occupational lung diseases.

-Diagnosis and management of pulmonary vascular diseases including pulmonary hypertension, pulmonary embolism, pulmonary vasculitis, and alveolar hemorrhage.

-Diagnosis and management of pleural diseases including pleural effusion and pneumothorax.

-Diagnosis and management of sleep-disordered breathing including obstructive and central sleep apneas.

-Management of critical respiratory disorders including respiratory failure; ARDS and massive pulmonary embolism in the respiratory critical care unit.

-Doing bronchoscopy, BAL and biopsy for diagnosing different respiratory disorders including tumors.

### **Attended conferences:**

-The 49th Annual International Conference of the Egyptian Society of Chest -Diseases and Tuberculosis (2007).

-The 51st International Congress of the Egyptian Society of Chest Diseases & Tuberculosis (2009). - Conference on Update in Chest Diseases (2012).

-The Annual International Conference of Zagazig Chest Department (2013). The 6th Annual Congress of Chest Department –Benha University (2013).

- The 55th International Congress of the Egyptian Society of Chest Diseases & Tuberculosis (2014).

-The 7th Annual Congress of Chest Department –Benha University (2014).

-The 8th Annual Congress of Chest Department –Benha University (2015).

-Regional Annual Assembly of ESSB (2018).

- ERS conference (2019).

-ERS conference (2020).

-ERS conference (2021).

## CURRICULUM VITAE

- STS conference (2021).
- STS conference (2022).
- STS conference (2023).
- STS conference (2024).
- ECMEC conference (2025).
