

CURRICULUM VITAE

PROF. MOHAMED EL-SAYED M., ABDALLA, MD, FCCP

PERSONAL INFORMATIONS:

Address: **Home:** In Egypt: Elnaamna, Minia Elkomh, Sharkia, Egypt

Work: In Egypt: Pulmonary, Allergy & Critical Care Department,
Benha University Medical Center, Benha, Egypt.

Tel: **00966507378430 mobile in KSA. Main mobile**

00201067484334 mobile in Egypt

0020122870380 mobile in Egypt

E-mail: mabdalla1966@gmail.com , mabdalla66@yahoo.com

PRESENT POSITIONS:

- **Professor of Pulmonary , Allergy and Critical Care Medicine,**
Benha Faculty of Medicine, Benha University, Egypt.
- Consultant of Pulmonary, Allergy and Critical Care Medicine, Benha
University Medical Center, Benha, Egypt.

EDUCATIONS:

- 1984 – 1990 **MB.Bch.** (Degree All courses studied in English) from
Zagazig University, Benha Branch, Benha, Egypt. Graduated in the
top 5.
- 1991-1995 **Master Degree in Chest Diseases & Tuberculosis.**
Benha University, Benha, Egypt.

- 1996-2001 Medical **Doctorate (MD) in Chest Diseases & Tuberculosis**, Benha University, Benha, Egypt.
- 1998 – 2000 **Mission in USA** at Duke University Medical Center (**VISITING FELLOW**).
- Thesis for the master degree in Pulmonary, Allergy & critical Care Medicine: Diagnostic Value of Sialic Acid in Malignant and Non malignant Pleural Effusion. Defended November 1994 (Available upon request).
- Thesis for M.D. degree in Pulmonary, Allergy & critical Care Medicine: Study of Oxidant Stress and Anti-oxidants in Lung Cancer Patients. Defended April 2000 (Available upon request).
- TOT, BLS, ACLS certificates

POST GRADUATE POSITIONS AND TRAINING:

- 1991-1992 **Internship** at Benha University Medical Center (2 months for each specialty): Internal Medicine, General Surgery, Obstetrics and Gynecology, Pediatrics, Anesthesiology and Trauma, and Chest and tuberculosis Departments.
- 1992-1995 **Resident** in Pulmonary and Critical Care Department, Benha University Medical Center, Benha, Egypt.
- for 4 months Visiting Resident in Pulmonary and Critical Care Department, **Cairo University**, Cairo, Egypt.
- 1995- 2001 **Ass. Lecturer** of Pulmonary and Critical Care Medicine in **Benha University**, Benh, Egypt.
- 1998-2000 **Fellow** in Cancer Cell Biology and Pulmonary and Critical Care medicine Departments in **Duke University Medical Center, Durham NC, USA**.
- 2001- 2006 **Lecturer** of Pulmonary and Critical Care Medicine in **Benha University**, Benh, Egypt.

- 2007 – 2014 **Ass. Professor** of Pulmonary and Critical Care Medicine in **Benha University**, Benh, Egypt.
- March 2014 – till now **Professor** of Pulmonary and Critical Care Medicine in **Benha University**, Benh, Egypt.

Training Courses:

completed all the training courses of the faculty and leadership development project which included:

- 1- Teaching and university teachers' development program.
- 2- Research ethics program.
- 3- Teaching quality program.
- 4- Communications skills program.
- 5- Leading research team program
- 6- Essentials for scientific research and international publications
- 7- Data analysis
- 8- Smart blackboard
- 9- Electronic examinations and questions banks
- 10- Competitive research projects
- 11- Academic Advising and Student Guidance
- 12- Use of global databases

Experiences:

- In **pulmonary function tests** in Benha university Medical center and in Duke University Medical Center with Dr. MacIntyre (Who is on ATS Committee for PFT guidelines). This includes;
 - 1- Performing and interpretate all PFTs (lung volumes, capacities and diffusion capacity).
 - 2- Exercise challenge test (cardiopulmonary exercise stress test).
 - 3- Bronchial provocation tests both specific & non-specific (exercise, cold & chemical)
 - 4- Preoperative assessments of PFTs of patients undergo thoracic surgery.

- 5- Pulmonary function Lab., manager in Benha University Medical Center. Benha, Egypt.
 - 6- Fellow in Pulmonary function Lab., in Duke University Medical Center, Durham, NC, USA.
- **Sleep Medicine** : Diagnosis and treatment of sleep Apnea with interpretation of sleep study, dealing with CPAP and BIPAP machines.
 - In **Mechanical Ventilators and ICU** in Benha University Medical Center , 4 months in Cairo University Medical Center and 2 months in Duke University Medical Center with Dr. Neil Mac Intyre, MD and Dr. Fulkerson, MD.
This includes;
Central lines, arterial lines, CV lines, endobronchial intubations, care of tracheostomy tube, and dealing with different M.V machine.
 - In **bronchoscope and bronchoscopic procedures** In Benha University Medical Center and 2 months in Duke University Medical Center, USA with Dr. Thomas D'Amico, MD includes ;
 - 1- Diagnostic procedures (e.g. Bronchial lavage, Broncho-Alveolar lavage, Bronchial brushing, endobronchial biopsy, transbronchial lung biopsy and protected specimen brush).
 - 2- Therapeutic procedures (removal of foreign bodies, laser therapy of lung cancer, photodynamic therapy, and bronchial stent).
 - **Thoracoscope**: for both diagnostic and therapeutic (pleural biopsies, pleural fluid aspiration, lung biopsies, removal of adhesions, pleurodesis and assistant in lung volume reduction surgery.
 - **Mediastinoscope**: assistant in bronchoMed., during staging of lung cancer.
 - **Thoracentesis** for both diagnostic and therapeutic purposes.
 - **Pleural biopsies** using cope needle biopsy and Abram's needle biopsy.
 - Chest tube.
 - In **Skin prick test and Immunotherapy** for asthma and allergic rhinitis in Egypt and KSA.
 - Interpretation of positron emission tomography.
 - Sharing in lung cancer team at Duke University Medical Center.

- Sharing in lung transplantation program (pretransplant care of end stage lung disease & post transplant care) at Duke University Medical Center.
- Sharing in Duke pulmonary rehabilitation program for COPD patients.

EDUCATIONAL EXPERIENCES:

- Undergraduate teaching including lecturers of pulmonary medicine & clinical teaching on rounds for 5th year and 6th year medical students Benha University from 1995 .
- Teaching for house staff (clinical & lecturer of pulmonary, allergy & critical care during the training periods.
- Teaching for resident includes lecturers and clinical courses during the periods of residency and supervision of the master degree thesis.
- Teaching for the postgraduate students (Diploma, Master & Doctorate students) lecturers, clinical courses and supervision of the thesis.
- Teaching for nurses in both school of nursing and faculty of nursing.
- Coordinator of Pulmonary, Allergy & Critical Care weekly Conferences in Benha University Medical Center, Benha, Egypt.

Publications:

- Diagnostic Value of Sialic Acid in Malignant and Non Malignant Pleural Effusions. M. Sc dissertation. Benha University, Benha Egypt 1995. Mohamed E., Abdalla.
- Study of Oxidant Stress and Anti-oxidants in Lung Cancer Patients. MD dissertation. Benha University, Benha Egypt 2000. Mohamed E., Abdalla.
- Prognostic Significance of Serum P53 Antibodies in Lung Cancer Patients: Published in Z. U. M. J. Vol. VIII, No. 5, Sep. 2002. Single Author.

- Fast Plaque TB a Tool for Direct Detection and Rifampicin Susceptibility Testing of M. Tuberculosis. Published in Egyptian Journal of CHEST /51/4/ October, 2002. Co Author.
- Role of Exercise Rehabilitation in Patients with Chronic Obstructive Pulmonary Disease. Published in Egyptian Journal of CHEST /52/1/ January, 2003. Co Author.
- Study of Sputum Level of Interleukin-8 in COPD Patients. Published in Benha M. J. Vol. 20 No 1 Jan. 2003. Co author.
- The Possible Role Of Mycobacterium Bevis In Extra Pulmonary Tuberculosis: An oxyR Allel-Specific PCR Based Mycobacterial Species Differentiation. Published in Mansoura Medical Journal Vol. 34, No. 1&2 Jan., & April, 2003. Co Author.
- Study of Airway Hyper reactivity In Patients with Nematode Infestations. Published In Z. U. M. J. Vol. VIII, No. 3. May, 2002. Co Author.
- Role of Procalcitonin in assessment of Bacterial Infection and Antibiotic Guidance in Patients with Acute Exacerbations of COPD on Mechanical Ventilation. Published In Benha M. J. 2006. Single Author.
- Evaluation of Soluble Interleukin-2 Receptor Level in Patients with Active Pulmonary Tuberculosis. Published In Egyptian Journal of CHEST 2006. Co Author.
- **EFFECT OF MANAGEMENT OF GASTROESOPHAGEAL REFLUX ON CONTROL OF BRONCHIAL ASTHMA IN ADULTS.** Published In **The Egyptian Journal of Chest Diseases and Tuberculosis. October, 2007, Vol 56, No-4.**
- **DIAGNOSTIC VALUE OF NT-PRO BNP IN CARDIOGENIC AND NON CARDIOGENIC PLEURAL EFFUSIONS.** Published In The Egyptian Journal of Chest Diseases and Tuberculosis. July 2012, Vol 61, No-3.
- **STUDY OF 2-MIN WALK TEST AND 15-STEP EXERCISE OXIMETRY TEST IN THE ASSESSMENT OF EXERCISE TOLERANCE IN EGYPTIAN PATIENTS WITH CHRONIC OBSTRUCTIVE**

- PULMONARY DISEASE.** Published In The Egyptian Journal of Chest Diseases and Tuberculosis. October 2012, Vol 61, No-4.
- **STUDY OF OSTEOPOROSIS IN CHRONIC OBSTRUCTIVE PULMONARY DISEASE.** Published In The Egyptian Journal of Chest Diseases and Tuberculosis. April 2013, Vol 62, No-2.
 - **ECHOCARDIOGRAPHIC EVALUATION OF VENTRICULAR FUNCTION IN YOUNG ADULTS WITH BRONCHIAL ASTHMA.** Published In The Egyptian Journal of Chest Diseases and Tuberculosis. April 2013, Vol 62, No-2.
 - **CHEMICAL PLEURODESIS: COMPARATIVE STUDY BETWEEN IODINE, TETRACYCLINE AND BLEOMYCINE.** Published In The Annual Medical Conference 2013 - Benha Faculty of Medicine
 - **TUBERCULOSIS IN RHEUMATOID ARTHRITIS PATIENTS ON CONVENTIONAL AND BIOLOGICAL THERAPY.** Published In Egyptian Journal of Bronchology. Vol. 7, No 1, June 2013.
 - **ROLE OF TRANSTHORACIC CT GUIDED NEEDLE ASPIRATION CYTOLOGY IN DIFFICULT TO DIAGNOSE BENIGN AND MALIGNANT INTRATHORACIC LESIONS.** Published In Egyptian Journal of Bronchology. Vol. 7, No 1, June 2013
 - **EVALUATION OF PULMONARY FUNCTION IN RENAL TRANSPLANT RECIPIENTS AND CHRONIC RENAL FAILURE PATIENTS UNDERGOING MAINTENANCE HEMODIALYSIS.** Published In Egyptian Journal of Chest Diseases and Tuberculosis (2013) 62, 145–150.

Medical Licensure:

- Cairo, Egypt, (108547)1992.
- Egypt Medical Syndicate Member, (104156) 1992.
- Egyptian Society of Chest Diseases & Tuberculosis Member 1995.
- Egyptian Medical syndicate Specialist in pulmonary & Critical Care Medicine Membership 1995.
- Saudi Council for Health Specialties No. 03-R-M-20316.**consultant.**
- **Fellow of American College of Chest Physician 1999 (FCCP).**
- Saudi Thoracic Society Member 2005.
- ALS from SHS valid

- ACLS from SHA valid

Honors:

- High School: The highest score to be eligible for medical school. Egypt.
- 1990 MB. Bch graduated in the top five.

CONFERENCES ATTENDED:

- American College of Chest Physician Conference in **Chicago**, 1999.
- Saudi Thoracic Society Conference in **Alkhobar**, 2005.
- Saudi Thoracic Society Conference in **jeddah**, 2006.
- Egyptian Association of Chest Physician Conference, 1997 **Cairo**, Egypt.
- Egyptian Association of Chest Physician Conference, 1998 **Cairo**, Egypt.
- Egyptian Association of Chest Physician Conference, 2000 **Cairo**, Egypt.
- Egyptian Association of Chest Physician Conference, 2001 **Cairo**, Egypt.
- 9Th Advances Techniques in bronchoscopy January 2010 National heart and Lung Institute , Imperial College **LONDON**.
- The 8Th Asian Pacific Congress Of Allergy, Asthma & Immunology 6-9 November, 2010, **Singapore**.
- European Respiratory Society Annual Congress in **Barcelona, Spain**, 18-22 September 2010.
- Lecturer& Coordinator in World Diabetic Day 2008 in Alhayah National Hospital, KSA.
- Lecturer & Coordinator in World TB Day 2009 in Alhayah National Hospital, KSA.
- Lecturer & Coordinator in World Bronchial Asthma Day 2009 in Alhayah National Hospital, KSA.
- Lecturer& Coordinator in World Diabetic Day 2009 in Alhayah National Hospital, KSA.
- Lecturer & Coordinator in World TB Day 2010 in Alhayah National Hospital, KSA.

- Lecturer& Coordinator in World Diabetic Day 2010 in Alhayah National Hospital, KSA.
- Lecturer & Coordinator in World TB Day 2011 in Alhayah National Hospital, KSA.
- 30th conference of EAIC stanbul turkia 2011.
- Lecturer in World TB Day 2012 in Taibah University , Almadinah Almonawarah, KSA.
- Updates on Genetics & Inherited Diseases. Taibah University Almadinah Almonawarah , KSA.
- Update in Medicine conference 2012 in Taibah University by Lecture "New Approach for Asthma Therapies"
- Lecturer in World Diabetic Day in Taibah University 2012 by Lecture (Pulmonary Complications of Diabetes Mellitus).
- "Quality and Patient Safety Symposium" Alriyad, KSA 2013.
- Lecturer in World TB day 2013 Almadinah Almonawarah, KSA by Lecture "TB Clinical view".
