**Work Experience:**

**Current Job:**

Critical care lecturer, Benha university hospital.

**Language Skills:**

	Excellent	V. Good	Good	Fair
• English		+		
• Arabic	+			
• French				+

**Responsibilities:**

I am a critical care lecturer with over 11 years of experience in the ICU. I am passionate about teaching and helping others, and I am committed to providing my students with the knowledge and skills they need to be successful critical care practitioners.

In my current role, I teach a variety of courses on critical care topics, including airway management, pharmacology, mechanical ventilation, and critical care ultrasound. I also lead the Rapid Response Team.

I am passionate about my work and I am always looking for ways to improve the care that we provide to our patients. I am also committed to developing the next generation of critical care practitioners.
