

Curriculum Vitae [CV]

• Prof. Dr. Abdelmonem Goda Madboly Ahmed Algohari

- ✦ Professor, Department of Forensic Medicine & Clinical Toxicology, Faculty of Medicine, Benha University, Egypt.
- ✦ Consultant of Clinical Toxicology, Benha Poisoning Control Unit (BPCU), Egypt.
- ✦ Director of Measurement and Assessment Unit, Faculty of Medicine, Benha University, Egypt.
- ✦ Head of internal committee of program and courses specification reviewers, Quality Assurance Unit, Faculty of Medicine, Benha University.
- ✦ Head of internal committee of Exams Evaluation, Faculty of Medicine, Benha University.
- ✦ Director of internal committee of medical internship program, Faculty of Medicine, Benha University.

Personal data:

Name (Arabic)	عبد المنعم جودة مدبولى أحمد الجوهري
Name (English)	Abdelmonem Goda Madboly Ahmed Algohari
Department	Forensic Medicine and Clinical Toxicology
College	Benha Faculty of Medicine
Academic degree	M.B.B.Ch.; MSc; MD
Office Address	Forensic Medicine and Clinical Toxicology department – Faculty of Medicine- Benha University
Mobile 1	+201118734643

Home phone	+20133374904
Work phone	+2013 3227518
Fax	+2013 3227518
Email (university)	abdelmonem.algohari@fmed.bu.edu.eg
Email (alternative)	monemmadboly@gmail.com
Web site (if any)	https://benha.academia.edu/AGMadboly

Education:

Institution	Degree obtained	Year
Benha Faculty of Medicine, Benha university.	Doctorate degree in Forensic Medicine and Clinical Toxicology (M.D.)	2011
Benha Faculty of Medicine, Benha university.	Master degree in Forensic Medicine and Toxicology (M.Sc)	2006
Benha Faculty of Medicine, Zagazeg university.	Bachelor of Medicine and Surgery (M.B.B.Ch.)	2000

Scientific research:

- 1. Medicolegal aspects of maternal deaths of obstetrical origin (2006).**
- 2. A study of patients with acute poisoning by household products admitted to Benha Poisoning Control Unit (2010).**
- 3. Toxicity of Tramadol (2013).**
- 4. The Possible Protective Role of Candesartan on Cyclosporine Induced Nephrotoxicity in Rats [2013\March].**
- 5. Correlation Between Serum Creatine Phosphokinase and Severity of Acute Organophosphorus Poisoning: A Prospective Clinical Study (2012)- [2013\May].**
- 6. Homicidal Deaths Analysis in Two Egyptian Governorates (Gharbia and Qalubia): A Five-Year Retrospective Comparative Study (2006-2010)- [June 2014].**
- 7. Epidemiology, Clinical Characteristics, and Management of Acute Hydrocarbons Poisoning at Benha Poisoning Control Unit: A One-Year Prospective Clinical Study (2014)- [July 2014].**
- 8. Telomere Length as a Molecular Biomarker for Human Age Prediction: A Quantitative Real-time PCR Study among Sample of Egyptians [January 2015].**
- 9. Accuracy of Medical Certification of Cause of Death in Benha University Hospitals, Egypt: A One- Year Retrospective Descriptive Study (2015)- [June 2015].**
- 10. Possible Ameliorative Effect of Sitagliptin on Cisplatin-induced Nephrotoxicity in Albino Rats (2016)- [December 2015].**

- 11. Thyroglobulin Level in Postmortem Blood Samples as A Diagnostic Tool for Cause of Death (2016)- [January 2016].**
- 12. Pattern of Fatal Injuries of Fall from Height at Great Cairo: A Retrospective Analytical Study 2009 – 2013 (December\ 2016).**
- 13. Subchronic Toxic Effects of Di-Ethylhexyl Phthalate on Ovary and Testis of Adult Albino Rats (June\ 2018).**
- 14. Reliability of Fibronectin and P-selectin as Indicators of Vitality and Age of Wounds: An Immunohistochemical Study on Human Skin Wounds (July\ 2018).**
- 15. Ameliorative Effect of Cimetidine and Silymarin on Acute Acetaminophen-induced Hepatotoxicity in Adult Albino Rats: An Experimental Comparative Study (2019).**
- 16. Nephrotoxicity of Two Food Additives (Aspartame and Monosodium Glutamate) in Adult Albino Rats: Biochemical and Histopathological Effects (April\ 2019).**
- 17. Serum miR-122 and miR-192 as biomarkers of intrinsic and idiosyncratic acute hepatotoxicity: A quantitative real-time polymerase chain reaction study in adult albino rats (July\ 2019).**
- 18. A Prospective Study of Medico-Legal Aspects of Permanent Infirmity Cases Examined at Forensic Medicine Authority- Cairo Department, Egypt (March\ 2020).**
- 19. Serum Netrin-1 and Asymmetric Dimethylarginine as Biomarkers of Acute and Chronic Carbon Monoxide Poisoning (January/2021).**
- 20. DNA Fingerprinting for Determination of Phylogenetic Tree: A Genomic Study on Samples of Egyptian and Iraqi Populations (January/2021).**

21. Ameliorative Effects of Hesperidin and Melatonin Against

Acetaminophen-Induced Nephrotoxicity in Adult Albino Rats

(March/2021).

22. Prophylactic Evidence of MSCs-Derived Exosomes in

Doxorubicin/Trastuzumab-Induced Cardiotoxicity: Beyond Mechanistic

Target of NRG-1/Erb Signaling Pathway (May/2022).

23. Chronic Reproductive Toxic Effects Of Erythrosine B On Adult Female

Albino Rats: Biochemical, Histopathological And Immunohistochemical

Study - 2023.

24. Chronic Toxic Effects of Tramadol on the Brains of Adult Albino Rats

and possible Ameliorative Effects of Melatonin- 2024.

Language skills:

Language	Reading	Speaking	Writing
Arabic	Excellent	excellent	excellent
English	Very Good	Very Good	Very Good

Attendance and active participation in scientific conferences and symposia:

1. Seventh Scientific Conference of Forensic Medicine - Forensic Medicine and Clinical Toxicology - Bootleg - Cairo University, 2009.
2. Seventeenth Annual Scientific Conference of the Society of Egyptian science of biological anthropology in 2009.
3. Scientific and Twenty Fourth Annual Conference at the University of Tanta, 2009

4. Scientific Conference of the Faculty of Medicine in Tanta - Tanta University - under the title - the use of needles rays as adjunctive therapy in cases of poisoning and addiction in 2009.
5. Second International Scientific Conference of natural toxins - Egyptian Society of natural toxins, 2006.
6. A training course on the credit hour system in 2010.
7. A training course on programs and courses and academic standards in 2008 characterization.
8. A training course for ways active learning and assessment methods adopted in 2011.
9. A training course on **internal audit and self-evaluation** of institutions of higher education (**Quality Assurance Authority and accreditation, Egypt 2013**).
10. A training course on **external audit institutions** of higher education (**Quality Assurance Authority and accreditation, Egypt 2013**).
11. A training course on **programs and courses Specifications and curriculum maps** of institutions of higher education characterization (**Quality Assurance Authority and accreditation, Egypt**) in 2014.
12. A training course on **strategic Planning** of higher education characterization (**Quality Assurance and accreditation Center, Benha University, Egypt**) in 2014.
13. Teaching Excellence in Egyptian Medical Education program (2018).
14. Workshop on electronic exam. (2018).

Other University Activities:

1. Training at poisoning control center- hospitals of Ain Shams University - 2004.
2. Member of the Technical Committee to review the programs and courses unity quality Benha Faculty of Medicine, 2009.
3. Member of the committee of the quality unit Benha Faculty of Medicine since 2012.
4. Program coordinator of Master degree of Forensic medicine and Clinical Toxicology - Benha Faculty of Medicine, 2019.
5. Program coordinator of doctorate degree of Forensic medicine and Clinical Toxicology - Benha Faculty of Medicine, 2021.
6. Member of the Committee of Technical Support Quality Assurance and Accreditation Center at the University of Banha (Technical Committee to review the programs and courses) since 2011.
7. The general supervisor of the Poisoning control unit - Banha University Hospital from 2011 to 2013 poisoning.
8. Supervision of first aid courses (to deal with cases of poisoning) in conjunction with the Scientific Society, Faculty of Medicine, Benha University for several consecutive sessions from 2010 to 2014.
- 9- Director of Measurement and Assessment Unit, Faculty of Medicine, Benha University, Egypt.
- 10- Head of internal committee of program and courses specification reviewers, Quality Assurance Unit, Faculty of Medicine, Benha University.

- 11- Head of internal committee of Exams Evaluation, Faculty of Medicine, Benha University.
- 12- Director of internal committee of medical internship program, Faculty of Medicine, Benha University.
- 13- Working as A professor at Faculty of Medicine, National Benha University- Integrated Bachelor program since 2022.

Membership of professional bodies:

- 1) A member of The Egyptian society of natural toxins 2006.
- 2) A member of The Arab Union of Forensic and Toxicology 2020.
