Advanced Course in Detecting Forgery and Counterfeiting in Documents	2025
Workshop of Technical examination of crime scene	2025
5th Annual Benha Forensic Medicine and Clinical Toxicology Conference.	2025

## 7- Training and Clinical Experience:

- Scholarship sponsored by Ministry of Communication and Information Technology:
- Digital Marketing Professional, Nanodegree Program.
- Has 3 human development courses: (grade: excellent from American Academy)
  - Suggestable persuasion.
  - Law of unconscious mind.
  - Presentation and body language skills.
- Medical errors from a legitimate medical point of view.
- The hands on the ability to quickly and accurately interpret a 12 lead ECG.
- Requirements for accreditation and renewal of accreditation of high education organization.
- Continuous quality education activities: FLOW DIAGRAM.
- Concepts of forensic toxicology laboratory setting and operation hand on experience.
- Using computers and managing files.
- Presentation program course.
- Spreadsheets program course.
- Website management course 2015.
- Self-Evaluation and External Reviewing Course 2015.
- Effective presentation course 2015.

- Scientific publishing course 2021.
- Communication skills course.
- Local TOEFL test 2015.
- Excel program course 2015.
- Windows and Word program course 2015.
- Competitive research projects course 2021.
- Website management course 2020.
- Self-Evaluation and External Reviewing Course 2020.
- Effective presentation course 2020.
- Teacher preparation course 2020.
- Strategic Planning course 2020
- Financial and legal aspects course 2020.
- Statistical analysis SPSS course 2019.
- Excel program course 2020.
- Windows and Word program course 2020.
- Local TOEFL test 2021.

## **8- Skills:**

- a.** Generally high computer skills concerning the most widely used software (MS windows, MS office, Internet ..... etc.)
- b.** Teamwork oriented.
- c.** Self-motivated.
- d.** Ability to work under pressure.
- e.** Able to work abroad.
- f.** Have the total ability and desire to learn and upgrade.

## **9- List of publications:**

- 1.** Pattern of Fatal Injuries of Fall from Height at Great Cairo: A Retrospective Analytical Study (2009 – 2013) - The Egyptian Journal of Forensic Sciences and Applied Toxicology, 2016-12-01 | Journal article.
- 2.** DNA Methylation as a Coming Clue for Age Prediction - Biannual Forensic Sciences and Toxicology Journal, 2023-02-01 | Journal article.

3. Evaluation of toxicological effects of ketamine and ethanol on the kidney of albino rats. Biochemical and Histopathological study - Mansoura Journal of Forensic Medicine and Clinical Toxicology, 2023-11-14 | Journal article.
