Current Faculty appointments:

- **Professor of Histology and cell biology Anatomy Department, Faculty of Medicine. King Khalid University, Abha, KSA. From 28-11- 2008 until now**
- **Professor of Histology and cell biology, Faculty of Medicine. Benha University, Benha, Egypt. From 20-1- 2003 until now.**
- **Referee of Egyptian Journal of Histology &Cell Biology**
- **Member of 11th scientific committee for promotion of professors and assistant professors of histology and cell biology from 2013-2016.**
- **Member of 12th scientific committee for promotion of professors and assistant Professors of histology and cell biology from 2016-2019.**
- **Coordinator of College of Applied Medical Science, King Khalid University, Abha, KSA.**

From 20-8- 2009 until 20-11-2014

- **Coordinator of Community service unit at university center for girls students, Alsamer, King Khalid University, Abha, KSA. From 21-11-2014 until 2015.**
- **Coordinator of Creativity and Talent Center King Khalid University, Abha, KSA.**
From 2015 until 2021.
- **Head of community service unit college of medicine, King Khalid University, Abha, KSA. From 2016 until 2021.**

Medical Degrees:

- 1-M.B.B. CH.: Zagazig Faculty of Medicine, Zagazig University. June 1981**
- 2-M.Sc.: In Histology, Cytology and Cytogenetic, Benha Faculty of Medicine, Zagazig University, May, 1987**
- 3-M.D.: In Histology, Cytology and Cytogenetic, Benha Faculty of Medicine, Zagazig University, July 1993 .**

Previous Faculty appointments:

- 1- Head of Histology and cell biology Department, Benha Faculty of Medicine. Benha University, Benha, Egypt. May 2006 until 25-11-2009**
- 2- Professor of Histology and cell biology from 20-1- 2003 until now.**
- 3- Associate Professor of Histology, Cytology and Cytogenetic King Faisal University, College of Applied Medical Science, Department of Applied Medical Science Dammam, K SA. From 9-9- 2002 until 15-9-2005.**
- 4- Assistant Professor of Histology, Cytology and Cytogenetic from 29-9-1998 to 19-1- 2003.**
- 5- Lecturer of Histology, Cytology and Cytogenetic Department Benha Faculty of medicine Zagazig University from 19-9-1993 to 28-9-1998**
- 6- Assistant lecture of Histology, Cytology and Cytogenetic Department Benha Faculty of Medicine Zagazig University from 19-8-1987 to 19-9-1993.**
- 7- Demonstrator in Histology, Cytology and Cytogenetic Department Benha Faculty of Medicine Zagazig University, from 16-10-1983 to 18-8-1987.**
- 8- Resident in Mansoura Medical Center from 1-9-1982 to 15-10-1983.**
- 9- House officer Zagazig University Hospital from 1-9-1981 to 31-8-1982.**

Academic Experience:

A- IN Benha University,Egypt

- 1- Teaching of Histology for both under and postgraduate medical students, Benha Faculty of Medicine, Benha University, Egypt**
- 2-Teaching of Histology for students, Faculty of Nursing, Benha University, Egypt**
- 3-Teaching for undergraduate students, Institute of nursing , Benha University, Egypt.**

B-In King Faisal University ,Dammam ,K SA .

- 4-Teaching of Histology for under graduate medical students, College of Medicine, King Faisal University, Dammam KSA.**
- 5-Teaching of Histology for under graduate students, College of Applied Medical Science, King Faisal University, Dammam, K SA.**
- 6- Teaching of Basic genetics for under graduate medical students, College of Applied Medical science, King Faisal University, Dammam, K SA.**

C- In King Khalid University, Abha, KSA.

- 7- Teaching of Gross Anatomy for under graduate students, College of Applied Medical Science. King Khalid University, Abha, KSA.**
- 8-Teaching of Histology for under graduate students, College of Applied Medical Science. King Khalid University, Abha, KSA**
- 8- Teaching of Histology for under graduate l students, College of Medicine. King Khalid University, Abha, KSA.**
- 9- Teaching of Histology for under graduate students, College of Pharmacy, King Khalid University, Abha, KSA**
- 10-Teaching of Histology for under graduate students, College of Dentestry, King Khalid University, Abha, KSA.**
- 10- Teaching of gross anatomy for under graduate students, College of Pharmacy level 3 and level 4 , King Khalid University, Abha, KSA.**

Theses:

- Master Thesis: Cytogenetic study of the effect of corticosteroid on sex chromatin (Barr body), (1983)**

- **Doctorate thesis: Histological, Cytogenetic and Histochemical study of psoriasis disease (1988)**

Practical Experience

- 1-Experience in chromosomal study and karyotyping**
- 2-Experience in Flow cytometer for DNA analysis**
- 3-Experience in Immunohistochemistry**
- 4-Experience in Tissue Culture and bone marrow culture**
- 5-Experience in Electron microscope**
- 6-Experience in Molecular Biology**
- 7-Experience in Fluorescent In Situ Hybridization (FISH)**
- 8-Experience in Stem cells separation, identification and culture**

Membership of Committee:

- 1-Member of educational development project Benha Faculty of Medicine Benha University.**
- 2-Member of Environmental and community development, Benha Faculty of Medicine**
- 3-Manger of QAA unit, Benha Faculty of Medicine Benha University.**
- 4-Head of control exam of 2nd part master, Benha Faculty of Medicine Benha University.**
- 5-Member of Egyptian society of histology**
- 6-Member of Egyptian society of anatomy**
- 7-Member of Community committee College of Applied Medical Science, KKU**
- 8-Member of strategic plan committee College of Medicine. King Khalid University, Abha, KSA.**

Thesis Supervision

- 1. Regeneration of maxillary sinus mucosa after surgical removal an experimental study (MSC)**
- 2. Effect of topical fluconazol on fungal keratitis in rabbits**
- 3. Experimental study (MSC thesis)**

4. Cytogenetic & Histochemical study of Quinolone on rats (MSC thesis)
5. Histological &, Cytogenetic study of the effect of Grisovulvine & Fluconazol (MD)
6. Study of the effect of cytokinin on chromosomes and lymphocytes cultured invitro (MSC thesis)
7. Studies on some nephritic mycotoxin affecting foods and feeds (MD)
8. Chromosomal Breakage in patients with connective tissues diseases (MD)
9. Apoptosis in acute leukemia in relation to beta –1 integrin and RNA regulated protein kinase expression (MD)
10. Histological and morphometric study of heat vibration on soft palate (MSC thesis)
11. Apoptosis and cytoproliferation in chronic HCV related hepatitis (MD)
12. Histological study of the effect of antioxidant on the toxicity of carbon tetrachloride on the liver (MD).
13. Effect to exposure to sulphuric acid fumes on the larynx
14. Retraction pockets: Clinical Evaluation, CT Scanning & Histological studies (MD)
15. Treatment of tinnitus by intratympanic injection with lidocaine and gentamycin with study the effect on guinea pig cochlea (MD)
16. Histological study of the role of stem cells on encephalitis induced experimentally (Ms Thesis).
17. Histological study of the role of stem cells on diabetes: an experimental study (Ms Thesis)

8. Effects of Aqueous and Methanolic Extracts of Palm Date Seeds and Fruits on Renal Ischemia-reperfusion Injury in Rats. KKU, KSA
9. Modulation of Kuepfer cells activity as a therapeutic tool in hepatic steatosis induced in albino rats : an experimental study. KKU, KSA
10. Effects of Stevia Rebaudiana Bertoni extracts on rat model KKU, KSA GRP-100-41

Training Courses

- 1-In electron microscope (Technique & Interpretation): In Electron Microscope Center Zagazig University from 28-30 April 1985.
- 2-In electron microscope (Technique & Interpretation): In Electron Microscope Center Alexandria University from 6-11 August 1988.
- 3-In Genetic Toxicology 4th Alexander Hollander training course in genetic toxicology: Practical training in contemporary genetic toxicology from 15-18 Sept 1997.
- 4-In Molecular Genetics at International Congress on Molecular Genetics Ain Shams University from 21 -25 February 1998.
- 5- Basic of Cytogenetic (The tenth International Scientific Congress of Egyptian Medical Syndicate from 11-12 December 1998, CICC, Cairo, Egypt.
- 6-First training course in Immunology .Mansoura University, from 14-25 November, 1999, Egypt
- 7- A workshop on theories of learning, 5 September 2004, College of Medical Sciences, Dammam, KSA.
- 8-Workshop on information Technology 2006, Egypt
- 9-Workshop on Windows, Egypt

- 10-Workshop on Microsoft word, Egypt**
- 11-Workshop on Power Point, Egypt**
- 12-Workshop on Excel, Egypt**
- 13-Workshop of Clinical Immunology &Molecular Biology PCR: Hand Practice Mansoura Faculty of Medicine May-3, 2006.**
- 14-International workshop on successful grant writing, Benha Faculty of medicine 28th July, 2008.**
- 15- Workshop of Real time PCR principles and clinical application Benha Faculty of Medicine October22-23, 2008.**
- 16- Workshop of Stem cells, separation, identification and culture,Cairo Faculty of Medicine November, 2008**
- 17-Workshop on effective learning, King Khalid University, Abha, KSA. 24-26, January,2009.**
- 18-Workshop on Establishment of internal quality. King Khalid University, Abha, KSA. 10-11\3\2009**
- 19 -Workshop on ‘Evaluating performance tasks using rules rubrics. King Khalid University, Abha, KSA. 10--12 November 2009.**
- 20-Workshop on working toward program accreditation, King Khalid University, Abha, KSA. 16-1 1431:18-1-1431.**
- 21-Workshop on The route toward quality and accreditation. King Khalid University, Abha, KSA. 29\12\2009**
- 22- Workshop on Theoretical Foundations for center based assessment, King Khalid University, Abha, and KSA. 16-18 January 2010.**
- 23-Workshop on Electronic Learning, King Khalid University, Abha, KSA. 24-26 January 2010.**
- 24-Workshop on Preparation of course specification, King Khalid University, Abha, KSA. 22\ Marsh, 2011.**
- 25-Workshop on SPPS, King Khalid University, Abha, KSA. 15-19 \1\1433**
- 26-Workshop on Electronic email, King Khalid University, Abha, KSA. 27 \12\1433.**
- 27- Training course (training program on breast cancer) as a part of MOOC project King Khalid University, Abha, KSA. 18\2\2012 to 23\4\2012.**

28- Training program: Internal Quality Assurance. King Khalid University, KSA, Deanship of Development and Quality Assurance.10-11/3/2009.

29-Training program: evaluating performance tasks using rules rubrics. KSA, Ministry of Higher Education Um Al-Qura University, Deanship of Development and Quality Assurance.10-12/11/2009

30-Training program: Theoretical Foundations for Center –Based Assessment. KSA, Ministry of Higher Education Um Al-Qura University, Deanship of Development and Quality Assurance.16-18/1/2010.

31- Workshop on How to develop high quality MCQs. King Khalid University, Abha, KSA. 1\12\2012.

32- Training program (Developing Research Abilities: Idea Formulation and Research Management) King Abdul-Aziz City for Science and Technology General Directorate of Research Grants: King Khalid University 5 March 2013.

33- Workshop on Key Performance Indicators (KPIs) & Benchmarks, King Khalid University, Abha, KSA. 22 \4\2013.

34- Workshop on quality in examination , King Khalid University, Abha, KSA.

11 \6\1434.

35- Workshop of Stem Cell in Regenerative Medicine, King Khalid University, Abha, KSA. 20 \6\1434 (30-4-2013).

36- Workshop of strategies to write and publish a scientific paper, 1st Saudi Scientific Publishing Conference, King Khalid University, Abha, KSA. 27 - 29\3\1435 (28-30\1\2014).

37- Workshop of scientific publishing, first Saudi Scientific Publishing Conference, King Khalid University, Abha, KSA. 27 -29\3\1435 (28-30\1\2014).

38- Workshop of electronic publishing platforms1st Saudi Scientific Publishing Conference, King Khalid University, Abha, and KSA. 27 - 29\3\1435 (28-30\1\2014).

39- Workshop of how to develop high quality MCQs , King Khalid University, college of Medicine ,Medical education Department, Abha, KSA. (20\11\2014.

41-Training program: Tools for evaluation and development of programmes and plans in KKU. KSA, Ministry of Higher Education, KKU, Deanship of Academic Development and Quality; 10/2/1436.

National Award:

1-Award of Benha University 2006 in scientific field.

2-Award of King Khalid University in Excellence second level 2013

3- Award of King Khalid University in Excellence second level 2017

Judgment of theses :

1-Effect of sub-acute ochratoxicosis –A by the rabbits. MD thesis, college of Agriculture Mansoura University (1998)

2-Protective effect of vitamin E on cisplatin induced hepatotoxicity in albino rats' .MSC Thesis College of Medicine Mansoura University (2005)

3- Age related histological and ultrastructural changes in the testis of albino rat. MSC Thesis College of Medicine Mansoura University (2006)

4-Histological and Histochemical study on albino rat adrenal medulla in normal and stress conditions. MSC Thesis College of Medicine Mansoura University (2006).

5-Histological and ultrastructural study of the effect of depoproxy progesterone acetate on the uterus and ovary of adult female albino rats. MSC Thesis College of Medicine Benha University (2006)

6-Impairment of Angiogenesis due to aging. MSC Thesis College of Medicine Benha University (2006).

7-Histological and immunohistochemical study of submandibular salivary gland in experimentally induced diabetes mellitus in adult male albino rats. MSC Thesis College of Medicine Zagazig University (2007)

8-Nanotechnology and its clinical applications (histological and cell biological study). MSC Thesis College of Medicine Zagazig University (2008).

9-Histological and histochemical effect of nicotine on the adult albino rat and the possible protective role of vit c. MSC Thesis College of Medicine Menoufia University (2008)

10-Histological study of the role of mesenchymal stem cells in cartilage regeneration in canine osteoarthritis model. MSC Thesis College of Medicine Benha University (2008)

Judgment of Projects in KSA:

1-Research Title: Structural and functional testicular changes at puberty in rat offspring from diabetic mothers. Research number: 646 KSA, Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

2- Research Title: effect of selenium on the impairments induced by methimazole in the cerebellum of new born and suckling rats by using electron microscopy. Research number: 421, KSA , Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research

3- Research Title: Cytotoxic and Teratogenic Effects of Titanium Dioxides Nanoparticles on Albino Rats. Research number: 1549,KSA Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

4- Research Title: Study the effect of selenium on the impairments induced by methimazole in the cerebellum of new born and suckling rats by using electron microscopy. Research number: 432-005, KSA, Ministry of Higher Education NORTHERN BORDER UNIVERSITY, and Deanship of Scientific Research.

5-Research Title Effect of Punica granatum (pomegranate) juice on the ultrastructure of the testes in the streptozotocin induced diabetes in adult albino rat. Research number: 228, KSA KING Khalid UNIVERSITY Deanship of Scientific Research.

6-Research Title: Histological Study the Anti-inflammatory and Cyto-protective Effects of Boswell on Experimentally Induced Osteoarthritis, Research number: 4304, KSA, Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

7-Research Title: Histological changes of the jejunal mucosa after roux-en-y gastric bypass surgery for obesity in albino rats .Research number: 4088, KSA, Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

8-Research Title : Effect of gasoline on the rat epidermis; and the effect of antioxidant, histological and ultrastructural study .Research number :4621,KSA, Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

9-Research Title: Anticancer and antimicrobial activities of marine Bacillus sp isolated from red sea, Saudi Arabia. Research number: KSA, Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

10-Research Title: The knowledge, attitudes and practices of Primary Health Center attendants toward breast cancer screening .Research number: 4503, KSA, Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

11-Research Title: effect and evaluation of the effect of some new non-homogenous annulus products on cancer as cancer prostate. Research number: 3677, KSA, Ministry of Higher Education TAIBAH UNIVERSITY, Deanship of Scientific Research.

12- Research Title: EFFECT OF ADIPOSE TISSUE DERIVED STEM CELLS ON OSTEOPENIA IN FEMALE RAT MODELS. Research number: (435-011-1) KSA, Ministry of Higher Education NORTHERN BORDER UNIVERSITY, Deanship of Scientific Research.

13-Research No. 7016-MED-2017-1-7-F entitled Pattern of injuries in road traffic accidents in Ar'ar central hospital. KSA, Ministry of Higher Education NORTHERN BORDER UNIVERSITY, Deanship of Scientific Research.

13--Research No. 7052-MED-2017-1-7-F entitled Prevalence and Risk Factors of Otitis Media with Effusion among Preschool Children in Arar city, Saudi Arabia. KSA, Ministry of Higher Education NORTHERN BORDER UNIVERSITY, Deanship of Scientific Research.

14-Research No. 7106-MED-2017-1-7-F entitled Prevalence and causes of visual impairment among Saudi children of Arar, Northern Border Region of Saudi Arabia. KSA, Ministry of Higher Education NORTHERN BORDER UNIVERSITY, Deanship of Scientific Research.

15- Research No.7164-MED-2017-1-7-F entitled Histological study of the protective role of ginger on Piroxicam-induced liver toxicity in Mice. KSA, Ministry of Higher Education NORTHERN BORDER UNIVERSITY, Deanship of Scientific Research.

74.The 11th Annual Scientific Research Day 16/11/1436(31\8\2015).Ministry of High Education King Khalid University, Deanship of Scientific Research Kingdom of Saudi Arabia.

75.The 12th Annual Scientific Research Day 19/7/1438(16\4\2017).Ministry of High Education King Khalid University, Deanship of Scientific Research Kingdom of Saudi Arabia.

76.The 14th Annual Scientific Research Day .\2018).Ministry of High Education King Khalid University, Deanship of Scientific Research Kingdom of Saudi Arabia

Certificates of Appreciation from:

- 1. Deanship of Scientific Research at KKU for effective participation on the eighth annual scientific research day 1433 as a member of the executive committee of women part.**
- 2. The 25th Saudi urological conference ,Abha, KSA,8-11April ,2013**
- 3. Ministry of health Assir region and Saudi Urological Association.**
- 4. College of education and Decency, for girls Abha, KSA**
- 5. The second scientific congress for health colleges 2014 for training students in college of applied medical science on research proposal writing held at university center for girls ‘studies at KKU in Abha-Aseer,19-20 September ,2014**

Activities In The field Community:

- 1. Awareness day of world health from 7-10April,2010**
- 2. Awareness about folic acid for prevention of Spina bifida 5-14May,2010**
- 3. Sharing at autism day by lecture about spina bifida and folic acid,29-4-1432**
- 4. Awareness bout Down Syndrome ,21-3-2011**
- 5. Awareness about osteoporosis 21-12-1433**
- 6. Awareness about cancer breast 9-11-1433**

7. Awareness about Healthy Nutrition at secondary school 7-4-1434
8. Awareness about osteoporosis at college of Community, college of education, the 10th secondary school, supervision office for ministry of education

Activities In The Field Of Quality Assurance And Accreditation:

Awareness Campaign Activities:

- Member Of Self-Study Committee, Benha Faculty Of Medicine
- Lecture About; How To Write A Course Specification For Clinical And Academic Departments, Benha Faculty Of Medicine
- Lecture About; How to Write a Course Report for Clinical and Academic Departments, Benha Faculty of Medicine.
- Sharing In Preparation of Program Specification for Benha Faculty of Medicine.

Academic Activities:

- Member of Project Management Unit, Benha University
- Member of quality assurance& accreditation project, Benha Faculty of Medicine, Benha University.
 - Member of committee for construction of strategic plan of Benha University.
 - As a beer reviewer Assiut faculty of Medicine 25-10-2007 to 30-10-2007.

Publishing Activities:

- Participate by a talk titled “evaluation and accreditation” Annual scientific Conference ,Mansoura faculty of medicine , Mansoura University,2005
- Participate by a talk titled “the need and means for evidence –based medicine in developing countries” Annual scientific Conference, Mansoura faculty of medicine, Mansoura University, 2007

Other Activities in the field of quality:

- **Attendance of workshop” course specification” , Shobra faculty of engineering ,Benha University**
- **Attendance of first conference, of faculty and leadership development project, Mansoura University.**
- **Attendance of workshop about “internal quality assurance “, Cairo faculty of Agriculture, Cairo University.**
- **Attendance of workshop” internal quality assurance” , Benha faculty of Nursing, Benha University**
- **Attendance of workshop “course specification “, Benha faculty of Medicine Benha University.**
- **Attendance of workshop “strategic plan “, Benha faculty of Medicine Benha University.**
- **Attendance of workshop “quality in high education “, Benha faculty of Medicine Benha University.**
- **Attendance of workshop “quality assurance and accreditation “, Benha faculty of Medicine Benha University.**
- **Attendance of workshop “National academic reference “,Cairo University**
- **Attendance of workshop “Basic peer reviewer “**
- **Attendance of workshop “advanced peer reviewer “**
