Education:

Institution	Degrees obtained	Year
Benha Faculty of Medicine, Benha university.	Doctorate degree in Internal medicine (M.D.)	2012
Benha Faculty of Medicine, Benha university.	Master degree in Internal medicine (M.Sc)	2006

Benha Faculty of Medicine, Zagazeg university.	Bachelor of Medicine and Surgery (M.B.B.Ch.)	1999
--	--	-------------

General specialty	Internal medicine
Specific specialty	Endocrinology

Language

Language	Reading	Speaking	Writing
Arabic	Excellent	Excellent	Excellent
English	Very good	Very good	Very good

MSc Supervision

Title	Year / in Progress
Role of hypervitaminosis D in diabetes related anemia of chronic disease and value of its replacement in response to therapy	completed (2024)
Relationship Thyroid Dysfunction And Proteinuria In Patients with Type2 Diabetes with And Without Diabetic Kidney Disease	completed (2024)
Assessment of the Relationship between Vitamin D Status and Graft Function in Living Related Kidney Transplant Recipients	completed (2025)
Prevalence of and risk factors for non-alcoholic fatty liver disease in non-obese Egyptian population	in Progress 2024
valuation of Erythropoietin Stimulating Agent's Responsiveness and Associated Factors in Hemodialysis Patients with Anemia	in Progress 2025

PhD Supervision

Title	Year completed / in progress
Association between helicobacter pylori infection and chronic kidney disease	in Progress 2022
Calprotectin levels in ascitic fluid as a diagnostic indicator for spontaneous bacterial peritonitis in cirrhotic patients	in Progress 2024

Positions

	Date From - to	Organization	Country	Position	Role
1	2002-2006	Faculty of Medicine, Zagazig University	Egypt	Resident	Resident in internal medicine department
2	2006-2012	Faculty of Medicine, Benha University	Egypt	Assistant lecturer	Assistant lecturer of Internal medicine
3	2012-2019	Faculty of Medicine, Benha University	Egypt	Lecturer	Lecturer of Internal medicine
4	2019-2025	Faculty of Medicine, Benha University	Egypt	Assistant professor	Assistant professor of Internal medicine

● **List of publications:**

1. Early detection of invasive fungal infection in acute myeloid leukemia (2012).
2. Systemic Lupus Erythmatosus is Associated with Disturbed Cytokine Milieu and Increased TNF-Related Apoptosis-Induced Ligand Levels (2016).
3. Asthma related quality of life in western Saudi subpopulation and its correlation to level of asthma control (2016).
4. Helicobacter pylori infection in type 2 diabetic patients and its relation to smoking (2017).
