

## Curriculum vitae

### **Waleed Elawamy Mohammad Ahmed**

**Associate Professor of Parasitology & Microbiology –  
Faculty of Medicine – Benha University - Egypt**

#### • **PERSONAL DATA:**

<b>Birthday date</b>	12/6/1977
<b>Address</b>	Great Cairo - Qaliobya governorate – Qaliob city
<b>Religion</b>	Muslim
<b>Nationality</b>	Egyptian
<b>Social state</b>	Married having 4 children
<b>Telephone</b>	00201033664157
<b>Mobile No.</b>	00201033664157
<b>Military service</b>	Done with grade A
<b>Passport</b>	A28233444
<b>Emails</b>	<a href="mailto:waleedelawamy2015@yahoo.com">waleedelawamy2015@yahoo.com</a>

#### • **EDUCATION:**

1. M.D degree in Clinical *Parasitology* (1<sup>st</sup> part *Microbiology*) – February 2012 – Benha Faculty of Medicine – Benha University.
2. Master degree in Medical Parasitology (1<sup>st</sup> part Microbiology + Community) – May 2007 – Benha Faculty of Medicine – Benha University.
3. M.B., B.Ch. December 2001 - Faculty of medicine - Benha University.

#### • **JOBS:**

1. Associate professor of parasitology – Benha Faculty of Medicine – Benha University. (June-2024-till now).
2. Assistant professor of parasitology and microbiology in College of Medicine, Sakaka - Jouf University – Saudi Arabia Sep-2017- June 2024).
3. Assistant professor of parasitology and microbiology in College of Applied Medical Sciences, Alqurayyat – Jouf University (Sep-2016 – June-2017).
4. Lecturer of parasitology – Benha Faculty of Medicine – Benha University (Feb-2012).
5. Assistant-lecturer of parasitology – Benha Faculty of Medicine – Benha University (2007-2012).
6. Demonstrator of parasitology – Benha Faculty of Medicine – Benha University (2004-2007).

## • **ACADEMIC EXPERIENSE:**

1. Laboratory diagnosis of parasitic infections.
2. Teaching of practical and theoretical courses of parasitology, microbiology and infection control courses for medical students and applied sciences students.
3. Participation in exam duties for undergraduate for parasitology, microbiology and infection control courses for medical students.
4. Teaching and participation in exam duties for post-graduate students (Master infection control) for medical, dentist, applied sciences and nursing students.
5. Teaching of practical and theoretical courses of parasitology for Benha health technicians 1<sup>st</sup> and 2<sup>nd</sup> classes.
6. Participation in exam duties of health technical institutes of Ministry of health.
7. Teaching theoretical course of parasitology for nursing school students in Benha University Hospitals.
8. Experimental studies on fish role in trematode transmission in the community.
9. Experimental studies on evaluation of anti-schistosomal properties of artemether in experimental murine schistosomiasis mansoni and haematobium infections compared to praziquantel.
10. Participation in the Egyptian Medical convoy to State of Eritrea for training and doing research works in Entomology and insect transmitted diseases in Eritrea.

## • **External experiences:**

- 1- Teaching & exam organizations of parasitology course for applied medical sciences students.
- 2- Teaching & exam organizations of microbiology courses for applied medical sciences students.
- 3- Teaching & exam organization of parasitology and microbiology courses for medicine students.
- 4- Teaching & exam organization of all courses for infection control master degree for post-graduate students.
- 5- Participation in medical college committees including (academic affairs unit – quality unit – strategic plan committee – university cooperation committee with the ministry of health).
- 6- Head of E-learning unit of medical college.
- 7- Secretary of college council for 9 years (main secretary for 3 years and then assistant of a Saudi secretary for 6 years).
- 8- Participation in Microbiology research team of the college making many researches.
- 9- Participation in the obtaining of complete accreditation for College of Medicine – Jouf University from NCAAA.
- 10- Participation in the way of obtaining of accreditation for the IPC (infection control master) of the College of Medicine from NCAAA.

## • **TRAINING COURSES AND CONFERENCES:**

No.	courses / workshop	Specialization	Held in	Year
1	Training course in The use of technology in teaching		Benha University	Between 2006 till 2011
2	Training course in Effective supply			
3	Training course in Professional ethics			
4	Training course in Academic administration			
5	Training course in Administration of time and meetings			
6	Training course in Examination systems and evaluation of students			
7	Training courses in computer sciences: Concepts of I.T. - Word processing – Spreadsheets - Presentation – Windows			
8	Training course for preparation of university lecturer			
9	Workshop on: nanomedicine: the promising medicine of the future.		Benha	2015
10	Workshop on: Heat Shock Protein, Application in parasitic disease.		Benha	2015
11	Workshop on Endnote		College of medicine, Jouf university	2018
12	SPSS HANDS-ON workshop		College of medicine, Jouf university	2018
13	Total Quality Management		Benha University, Egypt	2019
14	Examination and student assessment systems		Benha University, Egypt	2019
15	Website management		Benha University, Egypt	2019
16	Self-evaluation and external review		Benha University, Egypt	2019
17	Optimal employment of assessment tools in the Blackboard e-learning management system		Ministry of Education, Saudi Arabia	2020
18	Training workshop on staff members experiences in blackboard	presenter	College of medicine, Jouf University	2020

<b>19</b>	Digital transformation		Benha University, Egypt	2021
<b>20</b>	Questions banks		Benha University, Egypt	2021
