

CURRICULUM VITEA

Dr. Abeer Ali Eldeeb

Lecturer of Clinical pharmacology
Benha Faculty of Medicine
Benha University – Egypt

Personal information

<i>Date of birth</i>	<i>07.05.1984</i>
<i>Nationality</i>	<i>Egyptian</i>
<i>Religion</i>	<i>Muslim</i>
<i>Marital state</i>	<i>Married</i>
<i>Home address</i>	<i>Al-Maadi, cairo</i>
<i>Work address</i>	<i>Faculty of medicine, benha university, egypt</i>
<i>Home Phone</i>	<i>002-25671307</i>
<i>Mobile Phone</i>	<i>002-01000465352</i>
<i>E-mail</i>	<i><u>abeer.ali@fmed.bu.edu.eg</u></i>
	<i><u>abeer5eldeeb@gmail.com</u></i>

Qualification

- 2019 (October)** **M.D. (clinical pharmacology)**
Faculty of Medicine, Benha University, Egypt
Study the effect of vitamin D₃ and folic acid in experimentally induced alzheimer disease and depression in rats.
- 2014 (July)** **M.Sc. (clinical pharmacology) (Very good)**
Faculty of Medicine, Benha University, Egypt
Comparative study between nebivolol and Lisinopril in experimentally induced myocardial infarction and diabetic nephropathy in rats
- 2007 (December)** **MBBS (Medicine and Surgery) (Excellence with Honor)**
Faculty of Medicine, Benha University, Egypt.

Language skills

<i>Language</i>	<i>Reading</i>	<i>Speaking</i>	<i>Writing</i>
<i>Arabic.</i>	<i>Excellent.</i>	<i>Excellent.</i>	<i>Excellent.</i>
<i>English.</i>	<i>Excellent.</i>	<i>Very good.</i>	<i>Very good.</i>
<i>French.</i>	<i>Basic.</i>	<i>Basic.</i>	<i>Basic.</i>

Other skills

- *Excellent communication skills with both local and*
- *International entities having websites.*

Professional positions

- 2022-2023** *Lecturer of clinical pharmacology, faculty of medicine, faculty of dentist, October 6 university, Egypt*
- 2021-2022** *Coordinator of reproductive module, Faculty of Medicine, Benha University, Egypt.*
- 2020-present** *Examiner in pharmacology for the Master, and MBBS Degrees in Faculty of Medicine, Benha University, Egypt.*
- 2019-present** *Lecturer of Clinical Pharmacology, Faculty of medicine, Benha university, Egypt*

2014-2019	<i>Assistant lecturer of clinical pharmacology, Faculty of Medicine, Benha University, Egypt.</i>
2009-2014	<i>Demonstrator, Medial Physiology, Faculty of Medicine, Benha University, Egypt.</i>
2008-2009	<i>General practitioner in Egyptian Ministry of Health</i>
2007-2008	<i>House officer: in Benha University Hospital</i>

Academic experiences

Undergraduates:

- *Teaching practical sections of pharmacology for 3rd year medical student in Bachelor of Medicine and Surgery (MB.BS) program.*
- *Teaching Medical Pharmacology to nursing students at Benha faculty of medicine and school of nursing in Benha hospital.*
- *Teaching lectures of pharmacology for 3rd year medical student in Bachelor of Medicine and Surgery (MB.BS) program.*
- *Teaching lectures of various fields of medical pharmacology for undergraduate students in integrated program (5+2).*

Postgraduates:

- *Sharing in teaching different lectures in Medical Pharmacology for postgraduate students.*

Further attended training courses

- 2018** *ICDL, Faculty of Engineering, Benha University, Egypt.*
- 2018** *TOEFEL certificate in English Language, Benha University, Egypt.*
- 2018** *Microsoft word course, Faculty of Engineering, Benha University, Egypt.*
- 2018** *English Language courses, Faculty of Arts, Benha University, Egypt*
- 2018** *Attending and passing a two-week teacher preparation course, held at the Faculty of Education - Benha University*
Ethics of scientific research

Website management course

2011 *Internet skills. Benha University, Egypt.*

2011 *Microsoft office course, Benha University, Egypt*

Recent conferences and workshops

- *1 st International integrated conference “Revolution of integrated medicine present and future”, Benha Faculty of Medicine, 2022.*
- *Workshop on “Methods of Exams Evaluation for Modules Coordinators”, Benha Faculty of Medicine, 2022.*
- *Workshop on assessment of exam questions, 2022*
- *Workshop on Question banks course for electronic exams, 2021*
- *Workshop on “student assessment by professor”, Benha Faculty of Medicine, 2021.*
- *Workshop on module specification and module report, 2021*
- *Speaker in 8th annual medical conference of Benha Faculty of medicine, 2020.*
- *Self-assessment and external review course, 2018*
- *Website management course, 2018*

Activities and experiences

- *Sharing in preparing department books for both under graduate and postgraduate medical students (teaching course, Practical, MCQ and Case study).*
- *Sharing in preparing and estimation of different forms of pharmacology exams either written or oral for both under graduate and postgraduate medical students (Practical, MCQ, Short questions, Short assay, and Case study) in addition to faculty of nursing and school of nursing.*
- *Preparing data show presentations for both undergraduate and postgraduate medical students in different branches of Pharmacology.*
- *Participation in quality work at the Faculty of Medicine, Benha University*

Publications

- *Comparative Study Between Nebivolol and Lisinopril in Experimentally Induced Myocardial Infarction in Rats, Egypt. J. Biomed. Sci. Vol. 47, July, 2015.*
- *Comparative Study Between Nebivolol and Lisinopril in Experimentally Induced Diabetic Nephropathy in Rats, Egypt. J. Biomed. Sci. Vol. 47, July, 2015.*
- *Study of the effect of vitamin D₃, folic acid and fluoxetine on experimentally induced depression-like behavior in rats, Egypt. J. Biomed. Sci. Vol. 53, March, 2019.*
- *Differential potency of vitamin D₃, folic acid and memantine in protecting against neurobehavioral alterations of scopolamine induced Alzheimer's model in rats, International Journal of Basic & Clinical Pharmacology, 2021 May;10(5):471-478*
- *Forskolin could protect against flutamide-induced osteoporosis by modulation of serum osteocalcin and sclerostin in rats, Benha medical journal*
